SAPORITA

FLAVORS OF ITALY

Saporita is the first halal Italian restaurant bringing authentic flavors of Italy to the Singapore's hawker centre heritage.

We know Italian cuisine has a special place in hearts (and bellies) across the world and we promise to provide an insight into the history of Italian culture and society through our food.

Saporita is proud to serve fresh food prepared from freshly brought quality ingredients that will not only nourish the body but also please all your senses. Our dishes are curated in such a way that every ingredient has something to add to the flavour and enhance the experience of enjoying an authentic Italian meal.
Buon appetito!
